

LX6

Lafayette Instrument Company is the world's leading manufacturer of Polygraph instrumentation and equipment, distributing credibility assessment solutions to private examiners, government, and military organizations around the world.

Features

- 10 data channels
- Superior quick release Fischer® Connectors
- Recessed pneumatic ports
- Durable and easy to grip molded cables
- Rugged molded and textured enclosure
- Improved port layout and labeling
- Enclosure designed for added stability
- Best in industry electronics and EDA
- Selectable GSR or GSC channel
- PPG channel
- New and improved Blood Pressure Cuff
- Compatible with LXSoftware and LXEdge

LX6-S Bundle

- LXSoftware with PolyScore, OSS-3, and drug reference
- Seat Activity Sensor
- Vented Pneumo Chest Assembly, silver
- Vented Pneumo Chest Assembly, blue
- 50 Disposable and 2 Reusable Snap EDA Electrodes
- Blood Pressure Cuff
- Pump Bulb w/ Gauge
- All necessary cabling
- Choice of Targus® backpack or carrying case
- Exclusive 5 Year Warranty on DAS
- 1 Year Warranty on Accessories
- Lifetime Technical Support

PARAGONX

In 2022, Lafayette Instrument Company acquired Limestone Technologies Inc. and its flagship product the ParagonX. We are excited to continue to offer this system, and we welcome all of our new friends to the Lafayette Instrument family!

Features

- 9 data channels
- Premium Brass Alloy Lemo Connectors
- Dual Channel 32-bit
- Optical isolation greater than 5000 mv
- 625 samples per second, per channel
- Custom Polycarbonate Fiberglass Enclosure
- Designated PPG channel
- Designated movement monitoring system

PARAGONX-S Bundle

- Polygraph Pro Suite Software with PolyScore, OSS-3, and drug reference, and online medical dictionary
- Seat Activity Sensor
- Upper Pneumo Chest Assembly
- Lower Pneumo Chest Assembly
- 50 Disposable and 2 Reusable Snap EDA Electrodes
- Blood Pressure Cuff
- FingerCuff
- Palm Style Sphygmomanometer
- All necessary cabling
- Pelican™ Carrying Case
- 3 Year Warranty on DAS
- 1 Year Warranty on Accessories
- Lifetime Technical Support

SOFTWARE

LXSOFTWARE

For Lafayette Systems

- Ground-breaking ESS-M Interpreter further improves scientific accuracy of data interpretation
- One of a kind Respiration Line Excursion (RLE) Tool measures ratio of relevant response divided by comparison response in order to produce a suggested pneumo score
- Visually compare pulse amplitude changes using the PLE Pulse Amplitude Tool
- Simple steps to generate paperless charts and reports
- Easily accessible EDA available in GSR or GSC using Automatic, Manual, and Detrended modes
- Bundled with OSS-3 and drug reference documentation
- Text-to-speech options

POLYGRAPH PRO-SUITE

For Limestone Systems

- Bundled with PolyScore, OSS-3, and drug reference
- Online medical dictionary
- Easily accessible EDA using automatic or raw modes
- Polygraph Pro Suite FrontEnd for database management
- Save Time on Reports with ReportBuilder+
- Go Paperless with convenient digital storage
- ChartSync Utility for Synchronized Audio/Video
- Text-to-speech options

LXEDGE

DESIGNED WITH THE FUTURE IN MIND

- Compatible with the LX6 polygraph system
- Modern, neatly designed, organized, and intuitive User Interface (UI)
 - Easier to learn
 - Improves operational efficiency
 - Enhanced search capabilities
- Improved interfaces for customizing templates and question sets
- Architected to support NEW (forthcoming) assisted scoring capabilities
- Text-to-speech options and improved Masseter headset support
- Simplified installation and upgrade process
 - No 3rd-party USB drivers
 - Windows Registry will not be used to store user Preferences
- Updated development framework which supports
 - Enhanced functionality
 - New software and device integration opportunities
 - Rapid development and testing
 - Touch screens and other high-resolution displays
